THE DOCTOR IS IN...

But The Master is back—and this time he will not fail! He's recruited Davros and what remains of his desperate Daleks, and they all have but one enemy—The Doctor.

Armed with his ultimate weapon, the Time Expander, The Master can now manipulate space and time events to interact with an entirely new time stream. He plans to destroy The Doctor by expanding his time stream, but must find him first—all seven of him.

The key is The Doctor's favorite planet, Earth. All of his regenerations past, present and future have arrived, or will arrive, on Earth. If The Master can expand the Earth's time and push all the Doctors into the final nova of the Earth's sun, his mission will be complete.

All does not go as planned. The Doctors, aware of the time expansion, escape (but they are not necessarily safe). They must find the Time Expander to restore Earth's Time to normal. They must confront The Master and the Daleks. And they must confront Davros in the final battle...

SEVEN DOCTORS With every ball, the player can select an area of the playfield (Doctors 1-7) for increased scoring potential!

TIME EXPANDER Players activate the Time Expander by locking 2 balls on Level 1 of this time-distorting mini-playfield.

Level 2 will then be exposed and the challenge of restoring Earth time back to normal factor 0 by lighting all 15 control panel lamps.

Shooting into a door on Level 3 starts Multi-Ball® and the chance for Dalek Jackpots and Davros Super Jackpots to 300 million points!

W-H-O Completing the W-H-O sequence before time runs out can earn millions of points and light extra ball!

PLAYFIELD MULTIPLIER This All-Score multiplier builds to 4x by way of the looping cliffhanger ramp... and then to unlimited millions!

It's one of the most eagerly awaited feature films of all time. The visionary science-fiction epic that stunned and thrilled millions of people around the world continues with **TERMINATOR 2: JUDGMENT DAY**.

The unstoppable cyborg from the future, Arnold Schwarzenegger, is back! And Williams captures his return with a breakthrough pinball machine that could only come from the #1 coin-op company in the world. Leave it to Williams to faithfully incorporate all of the intense power and chilling excitement of T2™ in what is destined to be a landmark pinball.

THIS GAME IS LOADED FOR ACTION!

The big screen spectacle and memorable special effects are all built-in to an exceptional game experience. Players will be attracted first time, every time, when they come out shooting with an all-new, specially designed gun grip that instantly sets this pinball apart from any other conventional game.

It's high energy action with an imposing life-like Endoskeleton™ skull peering down from the top of the playfield and the chance to load a ball in the unique swing-out cannon to shoot down the Hunter Killer for instant 3-ball Multi-Ball® and potential 3X JACKPOT that can increase **Unique swing-out cannon.** to an incredible 30 Million Points or even a 50 Million Point Super JACKPOT!

Industry first, high scoring T2 Video Game Mode.

AN UNBEATABLE COMBINATION!

TERMINATOR 2: JUDGMENT DAY ramps up profits with the challenge of passing through all ten security levels of the Cyberdyne Defenses via the left side Artificial Intelligence Lab and the Skynet Command Center on the right side to initiate **PAYBACK TIME**. During this sequence, all major features score an awesome 5 Million Points each!

UNBELIEVABLE EFFECTS, UNDENIABLY WILLIAMS!

Here's the pinball machine that brings the thrills and suspense of T2 to life... and then some. There's the fast-paced Chase Loop, Hurry Up timed countdown payoff, Escape Route target bank, Auto Fire kickback and the multiple value Data Base that stores 16 different features.

But there's still more to **TERMINATOR 2: JUDGMENT DAY** with the visual impact of Williams' own unique, state-of-the-art full-size 32X128 Dot Matrix Display for phenomenal effects that are a sight to behold. In addition, only T2 pinball features a true industry **first** with the introduction of an original, high scoring T2 VIDEO GAME MODE.

WATCH HER TURN HEADS!

She's a woman of the '90's. Clever, imaginative, playful—really put together. Turn **THE MACHINE** on and you'll marvel at all her fabulous features!

SHE'S ALIVE

She comes to life before players' eyes! The first shot up the **Shuttle Ramp** to her mouth spins her head and activates her vocal circuits. Two balls to her eyes give her another turn for the better and enable her to see, starting **2-ball Multi-Ball™**. During **Multi-Ball** play, two balls to her neck turn her head for an amazing transformation that gives her life. Finally, during **Multi-Ball**, repeating the shot sequence spins the **Big Wheel** for the largest scoring awards in pinball history!

MILLIONS AND BILLIONS

During **Multi-Ball**, all playfield values double and the **Small Wheel** becomes a **Power Charge** worth anywhere from 100,000 to 1 Million points. The center **Heart Ramp** also pumps up scores and profits. Players need only make three consecutive shots to activate **Unlimited Millions**. In **Multi-Ball**, players can collect the first ever **Billion** point shot!

HE'S BACK

PIN-BOT watches his bride's metamorphosis from a challenging mini-playfield. By shooting up the **Shuttle Ramp** when lit, players can score 100,000, 200,000, 300,000 or 600,000 points and light **Extra Ball**. Leaving by the **Right Exit** increases the **Skill Shot Multiplier** for fast-paced, high-scoring excitement.

Eight Ball Deluxe

OK, PINBALL HUSTLERS,
HERE'S 8-BALL DELUXE

**BIENTÔT
DISPONIBLE!**

If you liked Bally's famous 8-Ball, you're going to love the all new 8-Ball Deluxe. With a contemporary Western theme, it's a rack of features: 3 flippers, several shots with continuous build up, and the popular backbox carryover feature will excite the sharpshooter in any player.

A Truly Deluxe Feature

Pinball-pool lovers score 2000 points for each of the 17 or 9-15 drop target balls hit, as well as advancing the bonuses. Dropping all 7 targets lights the 8-Ball. Making all 7 targets and the 8-Ball Target awards the bonus and lights the D-E-L-U-X-E lights.

Deluxe targets score 3,000 points each; Completing D-E-L-U-X-E scores either 50,000 points or the Deluxe Special, and lights a letter in the backbox D E L U X E Carry-over feature.

Go for the Bank Shot, Partner

50,000 points are awarded when you hit the Bankshot target the first time; 50,000 points and Special tie second time, but first you'll have to drop the entire 4 drop targets, scoring 5, 10, 15 and 20 thousand points consecutively while multiplying bonus scores from 2 thru 5x.

Shoot for A·B·C·D

A & B top lanes, when completed, light alternately for 25,000 points. When all 4 letters are completed they drop drop targets and increase the corner pocket value for hitting the 8-Ball Target.

8-Ball Deluxe previews new thumper bumper assemblies plus new Wedge-base bulbs, lamps and sockets for longer life and ease of maintenance.

8-Ball Corner Pocket

Build up special points by hitting the 8-Ball Drop Target in the corner pocket. This bonus advances from 20 to 40 to 60 thousand points, and lights the outlane specials by completing the A-B-C-D feature, or by hitting the 8-Ball Target. It is collected only by hitting the 8-Ball Target.

Dropping the ball into the saucer scores top right lane special when lit and awards 500 or 7000 points for each lit ball, plus Super Bonus times the multipliers.

Chalk Up for the Left Lane Shot

Consecutive shots up the left lane to the top of the playfield score 500, 10,000, 30,000, 50,000, Extra Ball, 70,000, then Special. 70,000 points are earned for each subsequent shot up this lane.

Call Your Shots, Hustlers

8-Ball Deluxe features more voice than ever before! He calls each shot reminds you if you have stripes or solids, and much, much more. Realistic background sounds perfect the poolhall climate.
