THE DOCTOR IS IN...

But The Master is back—and this time he will not fail! He's recruited Davros and what remains of his desperate Daleks, and they all have but one enemy—The Doctor.

Armed with his ultimate weapon, the Time Expander, The Master can now manipulate space and time events to interact with an entirely new time stream. He plans to destroy The Doctor by expanding his time stream, but must find him first—all seven of him.

The key is The Doctor's favorite planet, Earth. All of his regenerations past, present and future have arrived, or will arrive, on Earth. If The Master can expand the Earth's time and push all the Doctors into the final nova of the Earth's sun, his mission will be complete.

All does not go as planned. The Doctors, aware of the time expansion, escape (but they are not necessarily safe). They must find the Time Expander to restore Earth's Time to normal. They must confront The Master and the Daleks. And they must confront Davros in the final battle...

SEVEN DOCTORS With every ball, the player can select an area of the playfield (Doctors 1-7) for increased scoring potential!

W-H-O Completing the W-H-O sequence before time runs out can earn millions of points and light extra ball!

PLAYFIELD MULTIPLIER This All-Score multiplier builds to 4x by way of the looping cliffhanger ramp... and then to unlimited millions!

BRIDE OF PIN-BOT

WATCH HER TURN HEADS!

She's a woman of the '90's. Clever, intelligent, and... **THE MACHINE** on and you'll marvel at all her fabulous features.

SHE'S ALIVE

She comes to life before players' eyes! The first shot up the *Shuttle Ramp*, mouth spins her head and activates her vocal circuits. Two balls to her eyes or her another turn for the better and enable her to see, starting 2-ball *Multi-Ball*. During *Multi-Ball* play, two balls to her neck turn her head for an amazing transformation that gives her life. Finally, during *Multi-Ball*, repeating the shot sequence spins the *Big Wheel* for the largest scoring awards in pinball history!

MILLIONS AND BILLIONS

During *Multi-Ball*, all playfield values double and the *Small Wheel* becomes a *Power Charge* worth anywhere from 100,000 to 1 Million points. The center *Heart Ramp* also pumps up scores and profits. Players need only make three consecutive shots to activate *Unlimited Millions*. In *Multi-Ball*, players can collect the first ever *Billion* point shot!

HE'S BACK

PIN-BOT watches his bride's metamorphosis from a challenging mini-playfield. By shooting up the *Shuttle Ramp* when lit, players can score 100,000, 200,000, 300,000 or 600,000 points and light Extra Ball. Leaving by the *Right Exit* increases the *Skill Shot Multiplier* for fast-paced, high-scoring excitement.
